Dauphin Way United Appeals Fund

Dauphin Way Baptist Church is located at I-65 and Dauphin Street, four miles north of I-10. Because of Mobile's warm environment, the city attracts many homeless and transient people year round. Our church has adopted the mission of feeding as many of those in need as often as possible. We have a weekly food closet and we help people with meals almost daily. This fund and beneficent gifts from our church family help us have the funds available to feed people whenever. We also offer other assistance when the funds are available.

As part of our local mission's efforts, we feed people in homeless shelters and halfway houses weekly. We always seek to share Jesus and His love as we minister to these people with needs.

A small portion of the proceeds is also donated to the Scholarship Fund of the Dauphin Way Child Development Center which is used to help CDC families who experience temporary hardship. All Scholarships are approved by the CDC Board of Directors.
