The ACTS prayer tool is a helpful outline that will encourage and enable you to fulfill your prayer commitment and take you deeper in your prayer life.

The ACTS method of prayer is as follows:

ADORATION: Give God praise and honor for who he is as Lord over all.

CONFESSION: In your prayer life, honestly deal with your sin.

THANKSGIVING: Verbalize to God what you are grateful for in your life and in the world around you.

SUPPLICATION: Pray for the needs of others and yourself.

FASTING

Christian fasting is abstaining from food for a period of time for the purpose of focusing on and growing deeper in one's spiritual development. At its core, fasting is emphasizing the spiritual over the physical. A Christian fast is to be conducted for a specific period of time during which food is replaced with spiritual activity, primarily prayer. In place of the regular meal time, the believer prays and seeks a deeper experience of God. Unless a person has a medical condition related to diet, fasting is completely healthy and safe.
